2017-2018 Supply list

Individual Items

- Texas Instruments TI-34 calculator
- Magnifying glass or lens
- Yoga mat for meditation (optional)
- Binoculars or scope (optional)
- Water shoes
- Reusable water bottle
- Prismacolor colored pencils, pack of 24 (These will be used for nature journaling/science lessons and are *optional*. Prismacolor makes beautiful colors and they make a high quality pencil. These pencils will not be shared with the class this year, so I recommend purchasing the set that comes in the tin, for easy storage or providing a storage container for your child.)
